### **Justin Stoddard:**

Snow sports and instruction is both my passion and career. For the past 4 years, I have been full time as an assistant ski school manager at Snowplanet in Auckland. From this position, I have learnt financial management, health and safety management and leadership. I have NZSIA qualifications in skiing, snowboarding, adaptive and children's teaching, culminating in being awarded NZSIA instructor of the year in November 2016. I also coach in both our Snowplanet ski racing and freestyle snowboarding programs, as well as for NSC alpine race team and Aylwin Alpine Academy. I feel I can use this knowledge to represent the north island, helping facilitate and grow NZSIA's relationship with the north island and its ski schools. At Snowplanet we are in a unique position to promote instruction year-round, and have had many successful candidates and courses. I believe this can filter to courses run at Ruapehu and provide a great candidate pool for future exams.

### **Matthew Britton:**

I believe I have the right skills and attitude for the North Island Rep position on the board. I have a huge passion for the snow sports in New Zealand. I became a member of the NZSIA in 2000 and spent the next 11 years working on Mt Ruapehu. From an entry level instructor, to supervisor to groups coordinator to ski trainer. I am employed partime at Turoa this winter.
