

NZSIA are currently recruiting two Social Media Managers from within our pool of certified Trainers - one ski and one snowboard.

Applicants must have personal experience of social media channels and, preferably, have managed branded accounts previously, alongside the energy and passion to move NZ snow sports forward in the digital realm.

The appointed Social Media Managers will report to the ski or snowboard committees and work closely with their respective Course Managers and the NZSIA Admin Manager.

Skill Set Required:

- A working knowledge and experience of specific social media channels; Facebook, Instagram, Twitter and Vimeo
- An eye for imagery and a strong command of written English
- Ability to set a tone specific to an audience and inline with the new NZSIA Communications Plan
- Have the ability to plan ahead when scheduling and publishing content
- Be a contact point and filter for other staff to send content to and work closely with the NZSIA admin team to ensure content is used on other channels
- Able to work remotely as a contractor
- Must be a current NZSIA/SBINZ Trainer

Remuneration and Contract:

- 1-2 hours a week (80 hrs annually)
- \$3000 (+GST if applicable a year - must invoice as a contractor, quarterly.
- One year contract

Timeframes:

- Applications close Friday 8th June
- Contract to start at Trainer's Training - 15th June 2018
